

SYDNEY AND NEWCASTLE SOCCER TEAMS 1959 TO PLAY THE ENTRANCE

The Entrance Soccer Club has already received four definite offers from Sydney and Newcastle teams for Sunday matches.

1959 WOY WOY JUNIORS SUPPORT SOCCER COMP.

Thirty boys have applied to Woy Woy Soccer Club for inclusion in its junior competition teams this season.

This widespread support follows an appeal by the club for junior players from Woy Woy Central School children.

This year's junior competition appears likely to be the strongest ever.

Six A grade clubs are expected to field under 16 and under 14 years teams and some under 10 and 12 years teams.

Woy forward, Don Tait, now a referee, has offered to coach the surf club team.

The match will commence at 3 pm after practice starting at 2 pm.

Gosford Soccer Club failed to appear for a scheduled match on Saturday against Woy Woy, forcing the Woy Woy players to run a seven-a-side competition amongst themselves.
