

## Geoff Eggleton

Geoff was born 1955 at the old Gosford Hospital. He started his soccer life at the age of 10 in 1965 with the Wyong Club where he later became a pillar of strength to guide the Club through difficult times to a record successful period, of which any Club would be proud - with plenty of silverware in the cabinet.

He both played, coached and administered the Club. He rose to the Presidency of the Club at its height.

It was his venture into the administration of the Central Coast Representative Club that he had to push himself to his limit to secure the team successes and eradicate the financial burdens which sometimes accompany semi professional organisations. He attained the leading role in times which invariably were difficult. He led from the front and received little thanks. He was

ably assisted by his wife Helen who herself spent many hours in the canteen at home games, State titles, final series games for the local competition and other special events.

All in all , he was involved in the code on the Coast for 40 years from 1965 to 2005. He has been recognised for his services with Life Membership from Wyong Club and the CC Reps Club.
